

PGA CUP USA Team Point Details

Great Britain & Ireland

United States

Team Selection Process:

1. At the conclusion of the 2019 PGA Professional Championship, the **top 8** on the PGA Cup Points List will secure a position on the Team.
2. At the conclusion of the 2019 PGA Championship, the **9th & 10th** positions on the team will be determined by the next 2 players that have the highest total points on the PGA Cup Points List.

Points are earned as follows:

1. The top 20 finishers in the 2018 and 2019 PGA Professional Championships are eligible to earn points.
2. Points earned through the 2019 PGA Professional Championship are 25% higher than the points earned through the 2018 PGA Professional Championship.
3. Any PGA Professional making the cut at the 2018 or 2019 PGA Championship earns additional points.

Potential play-offs & procedures:

In the event of a tie for 8th place on the PGA Cup Points List at the conclusion of the 2019 PGA Professional Championship, a hole-by-hole play-off would follow the final round.

NOTE: Players in a position to be in such a play-off, but who missed the cut, will be informed that should a play-off be necessary, it will take place following the final round. It is the players' option as to whether he/she stays for such a play-off.

In the event of a tie for 9th, 10th, or 11th place on the PGA Cup Points List at the conclusion of the 2019 PGA Professional Championship, a hole-by-hole play-off will also take place following the final round (same note as above applies). This play-off is required to identify the potential 9th, 10th and 1st alternate positions on the PGA Cup Team, in the event that none of the top 20 PGA Professionals advancing to the 2019 PGA Championship plays well enough to earn points to move into the 9th or 10th positions on the PGA Cup Point Standings.

In the event a player earns enough points at the 2019 PGA Championship to tie for 9th or 10th positions, the 9th & 10th positions will be determined by how well the players finished at the 2019 PGA Professional Championship. The method for breaking the tie will start with the lowest overall finish; if still tied, then the lowest final round score; if still tied, then the lowest 3rd round score, 2nd round score, and then the first round score. If this procedure still does not break the tie, a hole-by-hole scorecard play-off will start at hole #18 of the final round and continue back until a winner is determined.
