Starting Times Following the Cut to the Low 90 Players Plus Ties & Low 70 Players Plus Ties:

Based upon the Championship's Live Broadcast coverage hours, and in an effort to guarantee complete coverage of the "leaders" of the Championship during the broadcast, players with the highest (worst) scores who make the cut, might possibly start their rounds after the leaders.

All scenarios will be considered with every effort to have all players start their rounds in traditional order (highest scores to lowest scores), which may mean adjusting starting time intervals. All cases will be based upon the number of players to make each cut while still ensuring that the leaders complete their rounds during the broadcast hours.

CHAMPIONSHIP (1st place): In the event of a tie for the Championship, there will be a three-hole aggregate score play-off on holes #16, #17 and #18. If there is still a tie, there will be a hole-by-hole play-off commencing on hole #18 and if necessary, on to holes #10, #11, #16 and #17, repeated until a Champion is determined.

TOP 20 and ALTERNATE (2023 PGA Championship): The play-off to determine the Top 20 and/or alternate advancing to the 2023 PGA Championship will begin approximately 15 minutes after the completion of play. The play-off will begin on hole #10, and if necessary, will continue to holes #11- #17. This rotation will be repeated until the spots/alternates are determined. The exact time will be posted on PGATournaments.com and in #18 Scoring Tent after the PGA Rules Committee has certified all scores. The Official Play-Off Time will be treated as a starting time. All contestants in the play-off must be present and ready to play at the Official Play-Off Time.
