## GENERAL INFORMATION

During the 31<sup>st</sup> Senior PGA Professional Championship, players will ride in golf cars. Players are allowed to have caddies during the Championship, however the caddie is not allowed to ride\* in a golf car during PRACTICE or CHAMPIONSHIP rounds, and players' clubs must be transported by the player's golf car only.

## REGULATIONS

Caddies may walk on greens to chart information during practice rounds as long as this does not interfere with the practice of any Player. **Caddies may not walk on any green behind the PGA Rules Committee after 3:00pm on Wednesday, October 2.** Caddies may not walk on greens when checking hole locations, nor may they interfere with play, during Championship rounds. Caddies are only allowed on the practice putting greens to retrieve chip shots or long putts, provided that the putting green is not crowded.

## AUTOMOTIVE TRANSPORTATION

Only players will be allowed to ride in a golf car (no caddies or spectators) and only two golf cars will be allowed per group. A player's clubs must be transported by golf car **only**.
