

## 2022 WOMEN'S PGA CUP USA Team Point Details

---

### Team Selection Process:

1. At the conclusion of the 2022 LPGA Teaching & Club Professional National Championship, the **top 5** on the USA PGA Team Points List will secure a position on the Team.
2. Contestants must be a PGA member in good standing and active in an eligible classification.
3. Points can only be earned as a PGA member (i.e., an associate that plays well in the PGA Winter Championships Women's Stroke Play Championship will not earn points).

### Points are earned as follows (see attached point chart for details):

1. The top 20 finishers in the 2020, 2021 and 2022 Winter Championships Women's Stroke Play Championship and in the 2021 and 2022 LPGA Teaching and Club Professional Championship are eligible to earn points, if they are PGA Members.
2. The top 10 finishers on the final money list of the 2019, 2020 and 2021 PGA Tournament Series are eligible to earn points and, in addition, each Series winner will receive 25 points.
3. Any PGA Member making the cut at the 2020/2021/2022 KPMG Women's PGA Championship, 2020/2021/2022 U.S. Women's Open and 2020/2021/2022 PGA Professional Championship (first cut) will earn points.

### Section Points:

There are different levels of player-strength within the various Sections, therefore, a system has been developed to "weight" all Sections according to the overall number of female PGA Professionals in each Section (not which one has the best players, but which Sections have the most PGA female members). After all Sections are weighted, they are divided into four groups and this determines how many players within each Section would receive points according to their final money rankings. In other words, Sections with more female Professionals have access to more points, and more of their players earn these points.

The following formula will be used:

100% - Total number of eligible PGA members in the Section (on January 1<sup>st</sup> of the respective year).

All 41 Sections are then ranked 1 through 41 in the above category.

The Sections would then be ranked 1 through 41 by their totals (i.e., highest to lowest) and divided into four equal-sized groups of ten each (11 for Group A). Points are awarded to the top players from the various Section rankings. In the case of a tie, or ties, the sections will be divided into Groups, possibly not of equal size, but what is deemed to be the "most-fair" manner.

Group "A" is considered the have largest number of female PGA Professionals and 10 of their players receive points. Group "B" would have 7 players rewarded, followed by "C" with 4 and "D" with 3. The 1<sup>st</sup> place in all four classes receives the same number of points but would differ thereafter down the list.

Sections should report their Woman PGA Professional Player of the Year top 10 points list, to the PGA of America for consideration, prior to December 20 each year. Players must compete in at least two (2) Section events to earn National points.

### **PGA of America responsibilities:**

At the conclusion of each year, points will be awarded to the top finishers on each Section's Woman PGA Player of the Year points list, based upon their Group Ranking. These points will then be included in the overall point standings for making the USA's 2022 Team.

For the 2022 Women's PGA Cup Team, we will use each PGA Section's female points lists included in the calculation for making the Women's PGA Cup team (i.e., 2019, 2020 & 2021 Section Woman Player of the Year points will be used in calculating the 2022 Women's PGA Cup team).

### **Potential play-offs & procedures:**

In the event of a tie for 4th, 5th, or the first alternate position, at the conclusion of the 2022 LPGA Teaching and Club Professional Championship, positions will be determined by the highest finishers in the 2022 PGA Winter Championships Women's Stroke Play Championship.

Should this method for breaking ties result in the ties not being broken, while still using the 2022 PGA Winter Championships Women's Stroke Play Championship, we will compare the lowest final round score; if still tied, then the lowest 3<sup>rd</sup> round score, 2<sup>nd</sup> round score, and then the 1<sup>st</sup> round score. If this procedure still does not break the ties, a hole-by-hole scorecard play-off will start at hole #18 of the final round and continue backward until positions are determined.

\*At the U.S. Women's Open, any player that qualifies receives 50 additional points for playing.

\*At the PGA Professional Championship, any woman advancing from their Section PGA Professional Championship into the field receives an additional 150 points (beginning in 2019). They must have been able to advance from their Section Championship (not just through an exemption) to be eligible to earn the 150 points.
