

2024 WOMEN'S PGA CUP

UNITED STATES TEAM POINT DETAILS

Team Selection Process:

1. At the conclusion of the 2024 LPGA Professionals National Championship, the **top 5** on the USA PGA Team Points List will secure a position on the Team.
2. Contestants must be a PGA member in good standing and active in an eligible classification.
3. Points can only be earned as a PGA member (i.e., an associate that plays well in the PGA Winter Championships Women's Stroke Play Championship (Championship Division) will not earn points).

Points are earned as follows (see attached point chart for details):

1. The top 20 finishers in the 2023 and 2024 Winter Championships Women's Stroke Play Championship (Championship Division) and in the 2023 and 2024 LPGA Professionals National Championship are eligible to earn points, if they are PGA Members.
2. The top 10 finishers on the final money list of the 2022 and 2023 PGA Tournament Series are eligible to earn points and, in addition, each Series winner will receive 25 points.
3. Any PGA Member making the cut at the 2023 or 2024 KPMG Women's PGA Championship, 2023 or 2024 U.S. Women's Open and 2023 or 2024 PGA Professional Championship (first cut) will earn points.

Section Points:

There are different levels of player-strength within the various Sections, therefore, a system has been developed to "weight" all Sections according to the overall number of female PGA Professionals in each Section (not which one has the best players, but which Sections have the most PGA female members). After all Sections are weighted, they are divided into four groups and this determines how many players within each Section would receive points according to their final money rankings. In other words, Sections with more female Professionals have access to more points, and more of their players earn these points.

The following formula will be used:

100% - Total number of eligible PGA members in the Section (on January 1st of the respective year).
All 41 Sections are then ranked 1 through 41 in the above category.

The Sections would then be ranked 1 through 41 by their totals (i.e., highest to lowest) and divided into four equal-sized groups of ten each (11 for Group A). Points are awarded to the top players from the various Section rankings. In the case of a tie, or ties, the sections will be divided into Groups, possibly not of equal size, but what is deemed to be the "most-fair" manner.

Group "A" is considered to have the largest number of female PGA Professionals and 10 of their players receive points. Group "B" would have 7 players rewarded, followed by "C" with 4 and "D" with 3. The 1st place in all four classes receives the same number of points but would differ thereafter down the list.

Sections should report their Women's PGA Professional Player of the Year top 10 points list, to the PGA of America for consideration, prior to December 20th each year. Players must compete in at least two (2) Section events to earn National points.

2024 WOMEN'S PGA CUP

UNITED STATES TEAM POINT DETAILS

PGA of America responsibilities:

At the conclusion of each year, points will be awarded to the top finishers on each Section's Women's PGA Player of the Year points list, based upon their Group Ranking. These points will then be included in the overall point standings for making the USA's 2024 Team.

For the 2024 Women's PGA Cup Team, we will use each PGA Section's female points lists included in the calculation for making the Women's PGA Cup team (i.e., 2022 & 2023 Section Women's Player of the Year points will be used in calculating the 2024 Women's PGA Cup team).

Potential play-offs & procedures:

In the event of a tie for 4th, 5th, or the first alternate position, at the conclusion of the 2024 LPGA Professionals National Championship, positions will be determined by the highest finishers in the 2024 PGA Winter Championships Women's Stroke Play Championship (Championship Division).

Should this method for breaking ties result in the ties not being broken, while still using the 2024 PGA Winter Championships Women's Stroke Play Championship (Championship Division), we will compare the lowest final round score; if still tied, then the lowest 3rd round score, 2nd round score, and then the 1st round score. If this procedure still does not break the ties, a hole-by-hole scorecard play-off will start at hole #18 of the final round and continue backward until positions are determined.
